M. A. C. AND WESTERN ATHLETES ARE STARS

Win Collegiate and Scholastic Honors in Track and Field Competition.

Western High School and Maryland Agricultural College are the victors in the intercollegiate and interscholastic track and field meet held at College Park, under the direction of the latter institution. M. A. C. scored 51 points against a field of four other colleges, while Western finished ahead of a class of eight high schools, with a total of 1516 points.

"Untz" Brewer, of Cathedral School; Hale, of Baltimore City College, and Drummond, of Wicomico School, were the high individual point winners in their respective classes, and each was awarded a gold watch. Brewer's work in the 100-yard dash and 220-yard hurdle was particularly classical, and his general performance was one of the high lights of the meet. Field, of Catholic University, won first place in the 100, 220 and 440 events and furnished the best collegiate competition. Montell, of the A. C., contributed a fast mile, run in 4:34 time, thereby setting a mark for the home lads.

for the home lads.

The school boys, by their keen rivalry, developed records in the 440, 850 and mile runs. Capt. Elmer Hardell, of Technical, nosed out a quarter-mile victory in 51 flat. Chipman, of Baltimore Polytechnic, won the mile over a big field. Galloway, of Central, came from behind in the mile and romped in ahead of the class. Western's victory came after a severe up-grade fight. Donaldson and Maxam dragged the team into the running when they got firsts early in the competition. Rose finished in the money in the 440-yard, and Lane coosted the total when he shone in the high jumps. Tyler and Rose brought Western's points up to one-half point above Technical in the very last events.
